

P SERIES
TOP MOUNTED FILTER

Minder P Series filter is Minder's innovative and economical range for small domestic filtration system. The system comes with top-mounted multiport valve with either 1.5" or 2" union size. The system can be used for small swimming pools, as a mobile filtration system, cleaning equipment etc.

Features & Advantages

- 100% factory tested according to international and MINDER improved standard
- Easy to use durable 6-ways multiport valve fitted with angle adjustable union to prevent pipe breakage during handling
- Materials used are dependable and suitable for all-weather performance
- Dual layers of fibreglass inner shell with UV resistant laminated (Gel coat) surface allows the filter to work under direct sunlight
- 5-10 years life-time

Warranty

Multiport valve & fittings	1 year
Filter Tank	5 years

Operating Limits

Model	2.5bar	4.0bar
Maximum water temperature	40°C	40°C
Operating Pressure	2.5bar	4.0bar
Maximum Pressure	4.0bar	6.0Bar

Optional Components

- Advanced model 4.0bar
- Nozzle collection system
- Vinyl-ester internal coating
- FilterClean™ – Chemical Tablet Feeder
